

SPIRITUAL LIFE CENTER

For Spiritual Directors

Continuing Education & Formation for Spiritual Directors

A New Series of Advanced Training Programs

Beginning in the fall of 2018, the Spiritual Life Center will offer an ongoing program of “Continuing Education and Formation for Spiritual Directors”. **The program is for certified spiritual directors** who want to deepen their practice and nurture their gifts for this ministry. It will provide both intellectual and experiential learning including readings, journaling, class presentations, brief reflection papers, supervision, group processing, and an integrative project of the participant’s choice. The approach will be collegial, making good use of the wisdom in the community of learners.

What!
You mean you can't learn it all
in the Internship?

The “Continuing Education and Formation” program will offer two distinct units of training every year. Each unit is comprised of four classes. **The classes will meet from 6 to 9 PM on the second Tuesday of the month.** The Fall Unit includes the months of September through December. A Spring Unit will take place from February through May. The first unit of study begins on September 11, 2018. Subsequent classes in this unit are on October 9, November 13, and December 11.

Each unit will focus on a different topic, chosen from among subjects such as discernment, interspirituality, group spiritual direction, dream work, new developments in spiritual direction, etc. Every unit will be independent but integrated with the others; therefore, one can take just a single unit on a topic of special interest, or take consecutive units offered over time. Tuition is \$450 per unit. (Note: students must register for the entire unit, not for individual classes.)

Applications will be reviewed as soon as we receive all components. Admission will be granted on a rolling basis. Early application is encouraged, as spaces are limited.
